

# Ultimate Spring Cleaning Checklist

1

## Entryway

- Sweep and mop your floors.
- Using the proper solution, wipe your walls and baseboards.
- Clean that dirty door, thoroughly.
- Vacuum your doormat.
- Organize those shoes and hang any jackets laying around.

2

## Kitchen

- Clean that stovetop. If you have a gas stovetop, we recommend using ammonia, degreasers, or baking soda.
- Clean your oven. There are a variety of ways to do this, but to keep it simple we recommend using soap and water, baking soda, or a vinegar mixture.
- Clean your microwave.
- Throw away expired or old food in the pantry, refrigerator, or freezer.
- Clean your cabinets. Yes, remove all of your items and thoroughly clean each cabinet.
- Dust off the top of your refrigerator or other high appliances and cabinets.
- Wash all of your kitchen towels.
- Sweep and mop those beautiful floors.

3

## Eating Area

- Dust off and polish your kitchen furniture
- Vacuum your chair cushions
- Dust and clean your light fixtures
- Clean those windows to make them look like new
- Sweep and mop your floor
- If you have carpet, use soap and water to spot clean it

4

## Living Room

- Polish and clean your furniture.
- Throw your slipcovers in the washing machine.
- Wash your throw blankets and pillows.
- Spot clean your furniture with soap and water or by using your vacuum.
- Dust off your ceiling fan.
- Clean your lampshades.
- Dust and clean your decor items.
- Thoroughly clean your remote controls.
- Vacuum your carpet or floor.

5

## Bedroom

- Dust and clean your furniture.
- Go through your closet and remove any unused clothes. Donate them when you're done!
- Organize your closets using bins, baskets, and hangers.
- Wash all of your bedding sheets, pillow covers, blankets, etc.
- Flip that mattress.
- Wash your windows.
- Dust ceiling fans and lampshades.
- Mop or vacuum your floors.

6

## Bonus Tips

- Replace the batteries in your smoke and carbon monoxide alarms.
- Clean your air vents and filters.
- Replace all of your light bulbs that burned out.
- Thoroughly clean door handles throughout your house.
